4. Click on the meet name for the “Meet Announcement.”

5. A document with all the information you could ever want will pop up. Tab to the back pages for the “session report” which lists the day’s lineup of events, session time, day and age group(s) competing.

6. Now match up the events your swimmer is swimming with the events on the “session report” page and now you know which day or days your swimmer will be competing.
