

## HOW DO I SIGN UP FOR A MEET?

1. On the front page of the Homepage about ¾ of the page down you will see a list of meets with dates, meet name, location, eligible athletes, sign-up deadline and a link to the sign-up GOOGLE DOC.

2. Click on the GOOGLE doc link and you will see a sign-up page with similar info from the front page plus warm-up times (please note warm-up times are times WE ARE IN THE WATER). You DO NOT need a Google account BUT if you want to be able to access on your phone, you will NEED the GOOGLE DOC app. This Doc is easily edited. Simply type your swimmer's name in an open line and close the window. It will automatically save. If there are no more number lines, just add one in. Once you do this you are done. I would always double check as deadlines approach and make sure you've signed-up for the meet you think you signed up for. Once you have signed-up and the GOOGLE DOC is disabled, you are responsible for meet fees if you swim or not. Also, once disabled we can no longer take entries and get you into the meet. ALL SWIMMERS MUST SIGN-UP IN ADVANCE IN ORDER TO BE ENTERED INTO A MEET. The meet host cannot take day-of-meet entries.
